

“Church Mice”

The “Church Mice” meet at Turville School at 9.15am on the third Sunday of every month for an hour of storytelling and fun activities based on a religious theme. We then join the congregation at St Mary’s Church in Turville to show them what we have been doing and, after the service, enjoy coffee (or juice) and biscuits.

Our recent projects have been *Noah and the Ark* when the children made a big Ark and lots of animals to go in it and *The Creation* when the children made big, colourful pictures of the sun shining down on the sea and land with lots and lots of trees!

All children (of any age) from the Hambleden Valley (and their parents) are very welcome to come and join in. Why not give it a try? It’s a great way for everyone to get to know each other.
